#opentowork

I am interested in gaining a real world experience in all phases of the software development life cycle (SDLC), including requirements, design, software development, quality assurance & project management.

Alexandru **Paunescu**

WHY ME?

I am a self-starter eager to learn new technologies and to improve my skills. I love digging into what makes each platform unique in order to discover the code used. I have a passion and curiosity for creating and building things, passion for IT development and desire to gain in-depth knowledge I don't give up until I've done all I set out to do.

SKILLS

95/100 Problem solving
90/100 Attention to details
85/100 Critical thinking
80/100 Fast learning
95/100 Communication
55/100 Agile Methodology

LANGUAGE

100/100 Romanian
70/100 English
